Sir,

With reference to correspondence ending with your letter No 9672/M1 153-14-8 dated the 2nd instant, stating that shops should be assessed to the water rate under the existing bye-laws for the current half year, I have the honour to state that it is not possible to do so as the year is drawing to a -- close and the letting value of each shop cannot be ascertained within so short a time in asmuch as the present monatarra shop tax has not been fixed on the basis of rental value of the -- buildings The Managing Committee before whom the question was placed are of the same opinion and the Municipal Council have accepted the same (Vide copy of Resolution No IV dated 19th June 1915 herein enclosed)

2 I, therefore, beg that you will kindly place th matter again before Government and obtain their orders to levy the tax only from the next official year

I have the honour to be,
